

Galesburg City Tax Equilization

Monday April 25, 2016

Mayor Rick Halvorson, Council Members: Jeff Voltz, Jane Halvorson, Mark Johnson, and Dan Caswell. Adjuster: Janet & Meryl Meyer. Citizens: Ken Voltz and Deborah Nobliski were present.

Meeting was called to order at 1800. Review of changes for the Taxes for the City of Galesburg was proposed. These changes were accepted by the city council. It was discussed that the state has regulated that all areas will increase their taxable values to 90% of retail values. For the City of Galesburg this requirement will not change the values. The tax property cards were reviewed to make sure that they were correct. Questions were asked about how to take care of property that has been abandoned but that the taxes are still being paid.

After all business was discussed the meeting was dismissed at 1900.

Rick Halvorson, Mayor
Deborah Nobliski, Auditor
