Election Results – after the June 11th election the tie between Nikki Lee & Justin Halverson was accepted by Justin Halverson. After the June 19th council meeting it was brought to our attention that there would be a recount and during that recount on June 24th they counted all votes included votes that the oval circle was not filled in proved that Don Barcome had won that 2 councilmember seat on the council. After contacting Don Barcome & Justin Halverson, Don accepted the 2 councilmembers seat. We welcome Don Barcome to the Galesburg City Council.

Motion: to recind June 19th acceptance of Justin Halverson for council seat & Don Barcome to accept his write in vote as 2nd councilmember seat
