We are still trying to get ahold of Ottertail about the street lights that are out.

We will be sending out the cities blight ordinance to everyone. This is a reminder that we do have this ordinance in place and that everyone is responsible for the upkeep of their property. We will be billing land owners that are not mowing their property.

The revised Utility ordinance is now in effect. This was an update of the shut off time of water on delinquent bills.

Delinquent water bills were discussed. We will start tagging people that are 2 months late. The Water Bill ordinance to include you have to pay Past Due amount before it will be turned on.

Rural Water came in to talk about what is happening with water and bills. It was also discussed what the state government is doing to help with the water projects.
