Old business:

The council meetings will stay the second Monday of the month. But it has been changed that the meetings will occur on the even months of the year. This is due to the small amount of items that need to be discussed.

New business:

Delinquent water bills were discussed. We will start tagging people that are 2 months late. The Water Bill ordinance to include you have to pay past Due amount before it will be turned on.

Blight Ordinance has been posted on the city web site. We will be pushing this ordinance to help to try to clean up the town. During the Memorial Day celebration we would like to make the city as presentable as possible. We are also working on cleaning up the park.

We will be looking at the cost of fixing the culvert next to Jacob Jacobson residence.

The streets will not be able to be able to be taken care of until the soft spots harden up. After that happens we will have the roads bladed and worked on.

With all business concluded the meeting was adjourned with a motion by Johnson and second by J. Halvorson. Our next meeting will be held on June 7th. The city council meeting is the 2nd Monday of the even month.

The event rent for the Hall will be \$50.00 per event. For Hall rental please leave a message with Deborah Nobliski at 701-488-2780 or email her your request at Deborah.nobliski@gmail.com.
