All

Old Business:

AE2S – Chris reports this coming week they will be in Galesburg doing GPS of curb stops etc, the water project will start summer of 2023, October meeting he expects to have a contract written up by East Central Water District for the city to sign for taking over the utilities. Waiting on bank reports to submit for grants through the state for reimbursements to the city.

T Posts – were purchased to mark every curb stop throughout the city, J Wilson has volunteered his time to install them along with J Wika to help & record the GPS coordinates (Latitude & Longitude)

Roof Claim – City received money to fix the roof that was damaged by winds - Contract out or Pay ourselves to fix? J Wilson said he could get a crew together to fix it.

Motion to fix & pay ourselves: J Wika

2nd C Eggermont

All

New Business:
