Delinquent Mowing Policy

Enacted April 19th, 2021

After complaints of empty lots, abandoned lots & lots just not maintained the council has decided to take the burden/expense off of other residence that have been maintaining them.

- All residents and commercial businesses are to maintain the lawns of the residence or business on a regular schedule.
- Council motioned to act on delinquent mowing by charging a \$50 hourly rate (NOT PRORATED) to the property owner. All mowing charges will be placed on the property taxes at the end of each year.
- Notice will be sent to land owner of these additions on property taxes at the end of each year, we will not be sending out monthly bills.
