**Old business:**

We are still trying to get ahold of Ottetail about the street lights that are out.

We will be sending out the cities blight ordinance to everyone. This is a reminder that we do have this ordinance in place and that everyone is responsible for the upkeep of their property. We will be billing land owners that are not mowing their property.

The revised Utility ordinance is now in effect. This was an update of the shut off time of water on delinquent bills.

**New business:**

Delinquent water bills were discussed. We will start tagging people that are late. The Water Bill ordinance to include you have to pay Past Due amount before it will be turned on.

Gravel – we will wait another month to buy more gravel for the streets. We will get the streets bladed again this month to improve our streets.

The council discussed what could be done with the old shop. The owner of the building will be charged with the cutting of the grass.

With all business concluded the meeting was adjourned with a motion by Johnson and second by J. Halvorson. The city council meeting is the 1<sup>st</sup> Monday of the even month.
