Sewer Project Update: AE2S is waiting on details from the electrical contractor to review before moving forward. Preconstruction meeting to be held in April

Maps – Traill County Auditor were looking for new maps of the city, Kitty asked Katie if there were any updated maps after the water project? No but she would get estimates to make maps and the council all agreed that over \$1000 for new maps was not necessary since the city had not changed within the city limits.

Leash Law: Another complaint was received about a husky type dog off leash being aggressive towards them. Discussed the Circle of Friends contract once again – if a dog is off leash, it is to be reported to the Traill County Sheriffs Dept **directly**, the Sheriffs Dept are then to retrieve the dog & take it to the Circle of Friends. The owner then has 4 days to claim the dog at \$25 a day, on the 5th day the dog will then be euthanized at the expense of the City of Galesburg

Motion to approve:

adopting the Circle of Friends contract through Traill County Sheriff's Dept – review contract in 1 year
